

PLEASANT VALLEY
VETERINARY CLINIC

Boarding Consent Form

I, _____ (your name[s]), understand that _____ (pet's name) who

I will be leaving in the care of Pleasant Valley Kennel must be current on the following vaccinations and testing:

Dogs: Bordetella, Rabies, and DHPP (DA2PP), Fecal Float (Fecal float is required every 1 year or every 3 months if pet is not on parasiticide prevention)

Cats: Rabies and FVRCP

All vaccines and testing must be confirmed by a certificate from a licensed veterinarian. If a certificate is not available, PVVC will call your pet's veterinarian to verify your pet's vaccination history. I understand that any required vaccines or testing that are not current or able to be verified will be given or performed at my expense.

I understand that if an **EMERGENCY** or **ILLNESS** arises and I cannot be reached, the doctors and support staff of PVVC will do what is deemed medically necessary for my pet, and I will assume financial responsibility for any expenses incurred.

I understand that if my pet has fleas, or a positive fecal, they will be treated at my expense.

I understand that my pet's personal belongings may be left at my own risk. PVVC is not responsible for loss or damage of any belongings left with my pet.

I understand and agree that if my pet is left 7 days or more beyond the scheduled departure date listed above and I do not contact PVVC, my pet will be considered **ABANDONED**. I understand that in this situation I relinquish my ownership rights to the above-named pet, but I am responsible for all expenses incurred in the care, treatment, and or surrendering (to a shelter/rescue group) of the pet for as long as PVVC keeps the pet.

I authorize the release of any information concerning my pet's health and veterinary care to other parties working with and/or in the treatment of my pets. I accept full financial responsibility for all services rendered and understand that payment is due at the time of pet pick-up.

I understand and authorize that this consent form is valid for a period of one year, and that Pleasant Valley Kennel will keep this consent form on file for that time.
